

A Simple Roadmap for FIEC major scheduling

Refer to the Advising Sheet for details ... but this will help you with schedule planning.
Refer to the university catalog for class prerequisites as they are enforced. Refer to the catalog or degree audit from MyUMBC for general university requirements.

your freshman/sophomore years:

MATH 151 or MATH 155

The STAT Course

ECON 101

ECON 102

ECON 121

ECON 122

The CMSC Course or IS Course

The PHIL or CMSC or MGMT Course

your sophomore/junior years:

ECON 374, ECON 311, ECON 312 (take these as soon as possible)

MATH 221 or MATH 152 or ECON 490

ECON 320 or ECON 421 or ECON 423 (ECON 320 could be taken after ECON 1/102 and the STAT Course.

Begin the Part II Financial Economics Core Courses

Take at least 4 from the Part II core list (4 courses). **Don't put these off--the sooner you take these after meeting the prerequisites the better!**

Begin the Part III Upper Level Economics Electives (3 courses)

These can include ANY upper-level economics course numbered 314 or higher including those not already counted above. For example, if you do ECON 320 and ECON 421 then both of these will count in the Part I Core Requirements, and 1 can count here. Or, if you do "cross" classes from the Part II core, they can count here. Note that you can substitute up to 2 of: ECON 302, ECAC 329, POLI 353, MATH 381, and STAT 454 for these 3 courses.

your senior year:

If you have yet to do so, complete the Part II Financial Economics Core.

If you have yet to do so, complete the Part III Upper Level Economics Electives.

You're done!
