

The UMBC Sloan Fellows Program in Economics presents:

"Hospital Pricing Stata Hackathon: Part 1"

Join us for a live-coding session featuring:
Morgan Henderson and Morgane Mouslim of The Hilltop Institute (UMBC)

<https://www.hilltopinstitute.org/people/morgan-henderson/>

<https://www.hilltopinstitute.org/people/morgane-mouslim/>

When? November 2nd, 12 pm - 1 PM

Preparation? A computer with Stata installed; a burning desire to understand complex hospital pricing datasets.

What will we do? Walk through the steps to (a) locate, (b) process, and (c) analyze newly available hospital pricing data.

RSVP required. Materials will be distributed prior to the session. Please email Hilary Betley bhil1@umbc.edu with the subject "11/2 RSVP" by October 31, 2022.

Instructions on downloading Stata will be provided to attendees upon receipt of their RSVP .
